The answer is right in front of you.

Introducing the Antioch School.

Creating your own church-based training program with the theological depth and educational design necessary for comprehensive development is a daunting task. With the Antioch School, you have the system to build a solid and customized leadership development program. By its use of theological readers, Socratic discussion guides, personal projects, mentoring, and cutting-edge life and ministry assessment tools, the Antioch School goes way beyond fill-in-the-blank.

The training is conducted **in** your church, **by** your church leaders, and **for** your church, church network, or ministry team—resulting in tested and reliable leaders for your **church**.
