

Looking for a way to train ministry leaders other than through the schooling paradigm?

Earn academic degrees for in-service learning.

Introducing the Antioch School.

The Antioch School is not just another attempt to “deliver” traditional school-based education through distance education or “church-housed” formats. It is truly church-based. Operating through partner churches, networks, and ministry teams that take seriously their God-given role in leadership development, the Antioch School builds academic degree programs into the real-life mentoring and ministry opportunities that God has uniquely given you right where you are.

The training is conducted **in** your church, **by** your church leaders, and **for** your church, church network, or ministry team—resulting in tested and reliable leaders for your **church**.
