

Looking for a leadership training program that follows the “Way of Christ and His Apostles” rather than Western educational forms?

Walk this way.

Introducing the Antioch School.

Thoroughly rooted in the church-based leadership training strategies of Christ and His Apostles, rather than Western forms of education, the Antioch School is an “old-yet-new” paradigm in church leadership training. Just as Paul trained Timothy in the context of church ministry, the Antioch School allows leaders to be trained in the context of your church or church network.

The training is conducted **in** your church, **by** your church leaders, and **for** your church and church network—resulting in tested and reliable leaders for your **church**.
