LIFE AND MINISTRY DEVELOPMENT

6

All programs are built on the foundation of a Life and Ministry Development Portfolio System that includes a personal Motivated Abilities Pattern (MAP) from SIMA International's System for Identifying Motivated Abilities (SIMA®), and Lifeⁿ.

The SIMA® Motivated Abilities Pattern (MAP) helps you identify your own unique design and abilities. The SIMA 10-Step Program demonstrates your ability to use insights from your MAP to understand yourself and to develop your life and ministry.

Lifeⁿ is a tool designed to help participants think deeply about their lives in six strategic steps and thereby create a unique life development plan and portfolio to guide them in fulfilling their life purposes in every area of life: individual life, family life, local community life, and life lived with purpose in the world community.

MAP701 Motivated Abilities Pattern (Consultant Assessed) 1

At the beginning of each program, students obtain a certified Motivated Abilities Pattern (MAP) through the process of recalling autobiographical achievements; written data and oral data are assessed by a SIMA consultant, to show the student's preferred subject matter, the abilities the student instinctively uses, the circumstances and relationships the student thrives in, and the results the student is driven to achieve.

- _____ 1. *Steps 1-2:* Identified 20 summaries of activities that you yourself did in order to achieve something that was enjoyable or satisfying to you. Expanded on 8 of your summaries by providing details of how you got involved in each activity, how you went about doing each activity, and what was most satisfying to you about each activity.
- _____ 2. Your Consultant-Assessed MAP files will be uploaded to this course module by Antioch School staff once the process has been completed.
